

WDFCSSL HOUSEKEEPING SERVICES

New Parents

New parents can benefit from a little extra help and bonding time with their newborns. We offer **Light Housekeeping Services** for up to 8 weeks postpartum. Spend time with your children, go for a coffee date and feel human again. Please contact FCSS prior to delivery to ensure we can help when needed.

Aging in Place (65+)

As people age, the little jobs can become big jobs and we find that we need help. **Light Housekeeping Services** will allow you to maintain your independence and the opportunity to stay in your home.

Injury, Surgery & Treatment

We know that you may not need us forever, but let us help you with the upkeep while you heal. Take the time needed to recover without worrying about who will do the **Housekeeping**.

For more information, please contact us at 780-842-2555
